

## The Inspiring Leader

### Program Outline

**Overview** Leaders need to inspire and motivate their teams to commit to the vision and strategy. At the heart of this is the leader's capacity to deliver a compelling message and have "Leadership Presence".

While clarity and logic are important ingredients, it's the leader's ability to tap into the emotions of the team that will have greatest impact. Leaders with this elusive quality are able to obtain buy-in and long-term commitment by making the vision and strategy come to life.
