Presentation Skills

Program Outline

Overview

You are an experienced and accomplished presenter. Now, the skills that you once relied upon to get the support for your initiative, no longer translate.

At Red Sky, we can help you upgrade your existing presentation skills so that you can generate the same effect and engagement online as you are used to generating in person.

Topics

- Your Online Challenges
- The Do's & Don'ts of virtual presentations
- Adapting delivery skills to the online environment
  - Posture & Position
  - Eye Contact
  - Voice
  - Gestures
- Your Presentations – Breakout room activity

Outcomes

- Greater comfort and control when presenting online
- Appears more professional and confident
- Creates dynamic interactions with audience
- Leave the audience energised and inspired

Duration

90 mins virtual program (with prework assignment)
